CALENDAR PERIOD

The period between day 1 and the last of the month.

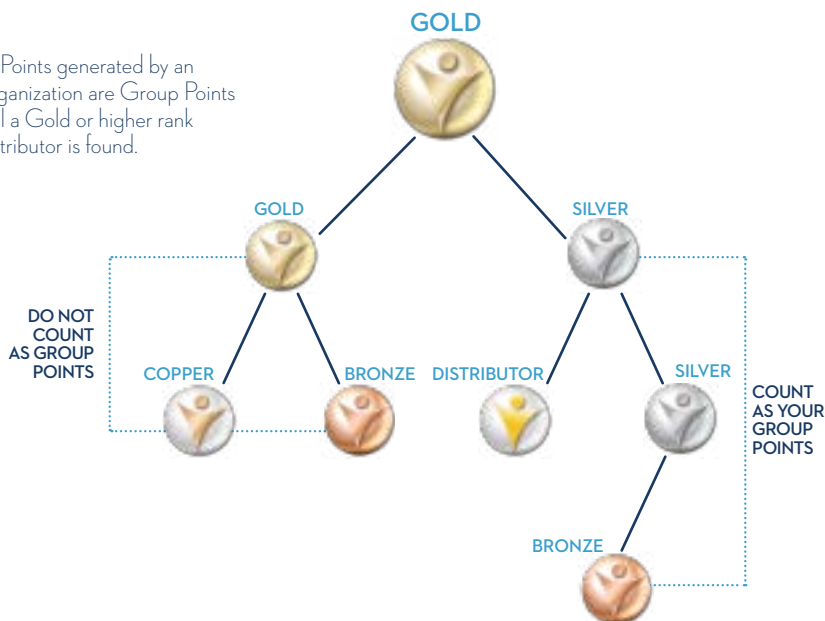

PERSONAL POINTS

Each piece you purchase has a point value. (1 point = 1 dollar retail). The amount of points acquired in a calendar period is referred to as Personal Points.

GROUP POINTS

The amount of points generated by Distributors that have not yet reached Gold rank.

All Points generated by an Organization are Group Points until a Gold or higher rank Distributor is found.

DIFFERENTIAL DISCOUNT REWARDS

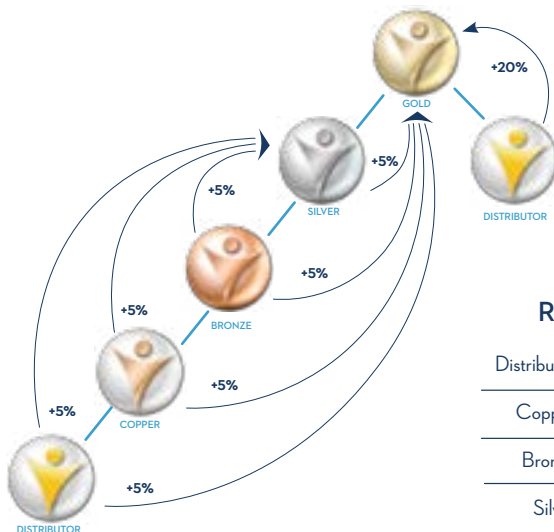

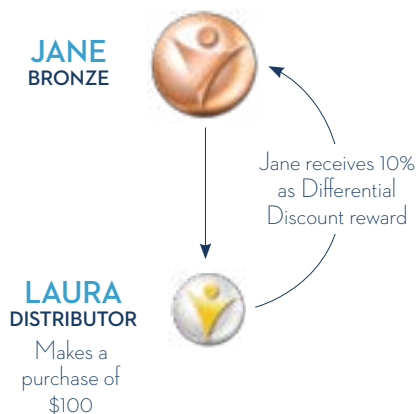

These rewards are based on the difference between your personal rank and that of the Distributors that are in your organization.

For example:

Let's say Jane is a Bronze Distributor and introduces Laura who is a Distributor. Jane will receive 10% of all Laura's purchases at retail price, in this case, \$10 as Differential Discount Reward.

You can receive a percentage of the rank difference between you and your organization.

You can start receiving rewards since you reach Copper Rank.

Rank	Discount	% Difference by rank
Distributor	20%	---
Copper	25%	+5%
Bronze	30%	+5%
Silver	35%	+5%
Gold	40%	+5%

COMMISSIONS
